INFORMATION DISCLOSURE STATEMENT

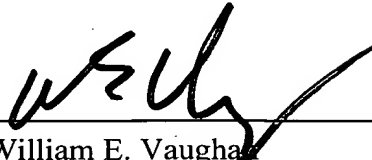

In accordance with the provisions of 37 CFR §1.56, Applicants request that citation and examination of the references listed on Form PTO-1449, copies of which are enclosed herewith in accordance with 37 CFR §1.98, be made during the course of examination of the above-identified application for United States Patent.

Document AN, German DE 198 27 700 C1 relates to an organization information transmission method for a radio communication system which transmits information within time slots which form a frame in which at least one time slot is provided for transmitting organization information whose transmission can be suppressed by a base station.

Applicants respectfully submit that the claimed invention is distinguishable and non-obvious over the enclosed references, taken singly or in combination.

Accordingly, early consideration and allowance of the application,
including the claims, are hereby requested.

Respectfully Submitted,

(Reg. No. 39,056)
